### COMCARAIRWINGRES TWO ZERO INSTRUCTION 10126.2C

Subj: IDENTIFICATION MARKINGS FOR AIR WING MAINTENANCE PERSONNEL  
FLIGHT QUARTERS CLOTHING

Ref: (a) NAVAIR 00-80T-105 CV NATOPS Manual

Encl: (1) COMCARAIRWINGRES TWO ZERO Flight Quarters Clothing

1. Purpose. To supplement flight quarters clothing marking instructions delineated by reference (a), and to standardize cranial helmet markings for squadrons assigned to Carrier Air Wing Reserve 20. The cranial helmet markings will readily identify the unit and rank/rate, or specialty (Officer, CPO, AT, AD, plane captain, etc.) of the wearer.

2. Cancellation. COMCVWR-20INST 10126.2B

3. Action. Commanding Officers and Officers in Charge shall ensure:

a. Cranial helmets are properly color coded with appropriate identifiers per reference (a) and enclosure (1).

b. Flight deck jerseys are color coded and marked with squadron symbols per reference (a) and enclosure (1).

c. Markings are applied to all flight quarters clothing by stenciling. Freehand markings/decorations or clothing by alterations, such as cutting off sleeves or splitting collars, will not be acceptable on any flight quarters clothing.

d. Officers and Chief Petty Officers (E-7 and above) shall wear non-polyester khaki trousers when working on the flight deck.

4. Squadron vests stenciled during previous cruises need not be remarked; however, all cranials shall be properly coded, using enclosure (1), prior to the squadron's next shipboard deployment. Markings and identification shall be required on all NEW flight quarters clothing.

*J. L. Schram*  
J. L. SCHRAM  
Deputy

Distribution: (COMCVWR-20INST 5216.1K)  
List I(H) Case A

15 MAR 1999

**COMCARAIRWINGRES TWO ZERO FLIGHT CLOTHING IDENTIFICATION SYSTEM**1. Cranial Helmet Identifiers

## a. Squadron character assignments:

First Character	Second Character
1 = VFA-201	O = Officer
2 = Attached Marine Squadron	C = CPO (E7 and above)
3 = VFA-203	E = AE
4 = VFA-204	D = AD
5 = (Not Assigned)	L = AME/PR
6 = (Not Assigned)	M = AMH/S
7 = (Not Assigned)	P = Plane Captain
8 = VAW-78	Q = Quality Assurance
9 = VAQ-209	S = Safety (Off/Enl)
	T = AT/IWT
	V = Photo Mate
	W = AO
	Z = Final Checkers

NOTES: 1. CVWR-20 staff members shall have "CVW" on the cranial helmets.

2. HS squadron LSE and plane captains shall only have the single character "H" on cranial helmet.

3. Ordnance personnel, assigned to Quality Assurance, who inspect ordnance loads shall wear a white cranial, a white jersey, a red float coat, and display the second character "Q" on the cranial helmet.

4. The letters "MCPO" on flight deck clothing shall be used by Mastr Chief Petty Officers only.

## b. Cranial helmet reflective background and characters:

## (1) Background reflective fields:

(a) The reflective field on the front shell will measure three inches by six inches and the reflective field on the back shell will measure six inches by six inches.

(b) The reflective color of the tape shall be white.

Enclosure (1)

15 MAR 1999

(c) Helmets shall have a two inch square piece of velcro on the left side of front shell and velcro on the survival light.

(2) Characters:

(a) Reflective characters shall not cover more than a maximum area of four inches by five inches on the back shell and two inches by four inches on the front shell.

(b) Character reflective tape color will be dark (preferably squadron color) except for CVWR-20 LOX crew helmets which shall utilize green tape. Yellow and orange reflective tape will not be used, except by the Air Wing Ordnance Officer as authorized by reference (a).

2. Flotation Vest Cover and Jersey Identifiers

a. Squadrons shall ensure compliance with assigned color codes for flotation vests and jerseys in accordance with reference (a). Squadrons shall use their unit designator plus rank/rate (E-7 and above) or the speciality of the wearer. Black stripes will be added to the front and back of maintenance crew and ordnance crew vests and jerseys. CVWR-20 Maintenance CPO/SCPO/MCPO/AMO will have their title stenciled to the front and rear of the green jersey and rear of the green flotation vest.

b. Squadron final checker flotation vests and jerseys shall have a black and white checker board pattern, ten inches square, on the front and back.
